ATISHI- NEW CHIEF MINISTER OF DELHI

Atishi Marlena Singh has been elected as the **new Chief Minister of Delhi** after Arvind Kejriwal's resignation. AAP's legislative meeting unanimously chose her for the role. She is the MLA from Kalkaji and the third woman to serve as Delhi's CM. A key figure in AAP since its inception, Atishi is known for her grassroots work, particularly in education. An Oxford University graduate, her leadership is seen as a symbol of change and progress for the capital.

PM MODI TO ATTEND QUAD SUMMIT AND ADDRESS UN

Prime Minister Narendra Modi will visit the U.S. from September 21-23, 2024, for two key events. On September 21, he will attend the **Quad Leaders' Summit** in Wilmington, Delaware, hosted by President Joe Biden, to discuss global issues with leaders from the U.S., Japan, and Australia. Originally planned for India, the summit was relocated due to scheduling challenges. Following this, Modi will address the **"Summit of the Future"** at the United Nations in New York, focusing on building a better and more peaceful world.

INDIA WINS ASIAN CHAMPIONS TROPHY HOCKEY

India clinched the **Asian Champions Trophy** in hockey with a thrilling **1-0 win over China** in the final. China's defense held strong for 51 minutes, but Indian defenders Jugraj Singh and Harmanpreet Singh broke through, with Jugraj scoring the decisive goal. Their teamwork secured India's consecutive title, proving that even defenders can make the difference in key moments.

HISTORY CREATED BY POLARIS DAWN – A PRIVATE SPACE MISSION

Polaris Dawn, a private SpaceX mission funded by billionaire Jared Isaacman, launched from Florida on September 10. The crew, including **Isaacman, Sarah Gillis, Anna Menon, and Scott Poteet**, tested SpaceX's technology, reaching 870 miles above Earth, the farthest since 1972. The mission ended with a splashdown in the Gulf of Mexico on September 15. Gillis and Menon are now the only women to have traveled so far into space.
